Description
Set in the countryside outside Armou village in the Paphos district, this agricultural field covers 8,898 m² of open ground. Its neighbours are other farmland and undeveloped plots, so the setting stays rural and away from dense urban development.

Agricultural zoning makes the land suited to farming or planting. The land has no direct road access. The villages of Marathounta and Agia Marinouda are a short drive away. This is a large, single field of agricultural land in the Armou countryside.
