Description
Pano Lefkara's cafés and restaurants are within walking distance of this residential field, which sits close to the centre of the village among farmland and undeveloped parcels. The village is near at hand, with open, green surroundings on every side.

The field covers 2,676 m² in a residential zone, with room for a home of up to two floors. Imagine settling into village life here, with schools and a local shop also within an easy walk, and neighbouring Kato Lefkara a short drive away.

The land has no direct road access.

What stays with you is the balance: a sizeable plot of residential land, everyday village life close by, and farmland stretching around it.
