For Sale : **€ 104,000**

Description
Pissouri sets the scene for this residential plot, a short drive from the village centre with its cafés, shops and everyday comforts. Around it, homes sit alongside open parcels of land, giving the area a settled residential feel with a sense of space between neighbours.

The land covers 798 m² and fronts a road, so it has direct road access. Water, electricity and telecommunications are already available. Its residential zoning gives room for a home of up to two floors. You can decide the layout, the rooms and the way the house sits on its land around your own priorities from the very first sketch.

Paphos International Airport is about 15 km away, which keeps travel to and from the island simple. Daily life stays close at hand, with schools, supermarkets and green spaces all a short drive from the plot.

Picture a home drawn to your own plan, with the village life of Pissouri just down the road.
