For Sale : **€ 100,000**

Description
A partial, distant view of the sea opens up from this residential plot in Kamares, Tala. Around it, homes and holiday developments make up the neighbourhood. Restaurants, cafés and a medical centre are within walking distance, and the village centre of Tala is a short drive away.

The land extends to 972 m² and has direct road access along its frontage. Water, electricity and telecommunications serve the plot. Its residential zoning allows a home of up to two floors.

Here you can shape a home from the very beginning, choosing the layout, the materials and the finish to suit the way you want to live. You could plan the rooms around that glimpse of the sea and settle into a residential setting where a meal out or a coffee with friends is only a stroll away.

A sea view on the horizon, everyday comforts close at hand, and the freedom to build a home entirely your own.
