Description
Village life is close at hand from this residential field in Choletria, with the village centre within walking distance. Homes and open parcels of land surround it, giving the setting a settled, residential feel in the Paphos countryside.

At 3,670 m², the land is sizeable, with direct road access and frontage along a footpath. Its residential zoning gives room for a home of up to two floors, with plenty of land around it to shape around everyday life. It is a blank page for a house planned from the ground up, in a village setting rather than a busy town.

Picture an evening stroll to the village centre and back, then a home with space to breathe once the day is done. For days out, the heritage site of Souskiou-Vathyrkakas Cemetery is a short drive away, and Paphos International Airport is within a drive for trips further afield.

A generous piece of residential land, close to the heart of Choletria, where a home of your own can take shape.
