For Sale : **€ 100,000**

Description
Pissouri sets the scene here: a residential plot a short drive from the village centre, with Columbia Beach Resort a drive away. Around it, homes stand among parcels still waiting for their own story, giving the area a settled residential character.

The land covers 771 m² and fronts a road, giving it direct road access. Water, electricity and telecommunication services already reach the plot. Its residential zoning leaves room for a home of up to two floors, a house shaped around your own plans rather than someone else's layout.

Imagine the first sketches taking form: where the living room might sit, how the rooms might gather around the life you want in this Limassol village. With Pissouri's cafés and everyday shops close by and Paphos International Airport about 15 km away, arrivals and departures fit easily into that picture.

A plot in Pissouri, connected to its services and open to a home designed from the ground up, is a fine place to let those plans begin.
