

For Sale, Land, Field, Larnaca, Melini, 3,883m²

Just beyond the edge of Melini village, two adjoining fields...

For Sale : **€ 93,000**

Description
Just beyond the edge of Melini village, two adjoining fields come together as one large piece of residential land. Farmland and open, undeveloped plots surround it, giving the setting a gentle rural character in the Larnaca countryside.

Together the fields cover 3,883 m², and the land has direct road access along one side. Its residential zoning gives room for a home of up to two floors, with fields as neighbours and the village close by. It is the kind of place where a new home could take shape at its own pace, with open countryside around it.

Everyday needs are within reach, with a school a short drive away. Kionia peak lies within a drive, ready for days spent outdoors.

Uncomplicated and grounded in the farmland around Melini, this is land on which to begin a home of your own in the open countryside.
