Description
Agricultural land lies a short way inland from the coast at Agios Theodoros, in the Larnaca district. This large field sits among undeveloped parcels and has a long frontage along a footpath. Its agricultural zoning suits farming and planting. The village of Alaminos is a short drive away, and Mazotos is also within driving distance. The sale is a 1/2 share of the field. It is a sizeable stretch of open agricultural land close to the coast.
