Description
Set in open countryside outside the village of Pano Pyrgos, in the Nicosia district, this agricultural field covers 17,392 m². The land around it is a mix of farmland and undeveloped parcels, which gives it a rural setting away from dense development.

Its agricultural zoning suits farming and planting, or holding a sizeable piece of land. The field has no direct road access. The villages of Kato Pyrgos and Pigenia are also part of the surrounding area. It is a large piece of agricultural ground in a farming area of the Nicosia countryside.
