For Sale : **€ 92,000**

Description
Village life and open nature meet around this residential field in Klirou. The village centre is a short drive away, and so is the nature spot of Perátis, for unhurried time outdoors at the end of the day.

Set in a residential zone, the land offers room for a home of up to two floors. A stretch of frontage onto a road gives it direct road access. Around it, the neighbourhood is a mix of residential homes and undeveloped parcels, a setting that is still taking shape.

Picture a home rising here, with Klirou's daily rhythm close at hand and the villages of Kalo Chorio and Malounta within a short drive. It is a welcoming base for a life rooted in the village, with nature never far from the door.

The sale covers a 1/3 share of the field. A residential setting, a village close by and room for a home: a place where a new chapter could begin.
