For Sale : **€ 90,000**

Description
Close to the heart of Athienou, this field sits among village homes and a few open parcels, with the church of Panagia Eleousa not far away. It is a calm, honest residential setting, where everyday village life unfolds just around the corner.

The land is a sizeable 1,673 m² and runs along a registered road on one side, so it has direct road access. Its residential zoning gives room for a home of up to two floors.

Picture a family house taking shape here, close enough to the village centre to share in its rhythm, yet set among neighbouring homes rather than in the middle of the bustle. With the centre and the old church nearby, daily life in Athienou would never feel far away.

A sizeable piece of residential land with road frontage, in a village with real character around it.
