For Sale : **€ 89,000**

**Description**
In the Panagia Evangelistria quarter of Dali, this field lies close to the centre of town, in a neighbourhood where homes stand beside parcels still open to the sky. Schools, cafés and restaurants are a short drive away, as is the heritage site of Idalion, and the town of Potamia is within easy reach.

The land falls within a residential zone, which gives room for a home of up to two floors. It is a chance to picture your own house taking its place among the homes already built around it, with Dali's everyday life close at hand.

The land has no direct road access. The sale is for a 1/2 share of the field.

An unpretentious piece of residential land in Dali, close to the heart of the town and its daily rhythm.
