For Sale : **€ 95,000**

Description
Pera has a gentle village rhythm, and this field sits just beyond its heart, in a residential area of scattered homes and open parcels. The village centre is a short drive away, and so are the waters and green surroundings of Tamasos Lake, a lovely place for an unhurried weekend walk.

The land covers 2,007 m² and is close to square, with a flat, even surface. It is easy to stand here and imagine where a house might sit and how the rooms might open to the plot. The residential zoning leaves room for a home of up to two floors, and electricity, water and telecommunications can be connected.

The land has no direct road access.

What it offers is simple and appealing: level residential ground in a village setting, close to village life and the open landscape around the lake, ready for a home shaped around your own plans.
