For Sale : **€ 92,000**

Description
Farmland and undeveloped parcels frame this residential field on the edge of Pano Pyrgos, a setting with an uncomplicated, rural character. The village centre is a short drive away, and the beaches along the coast are within a drive, so village life and days by the sea sit comfortably within reach.

The land lies in a residential zone, which gives room for a home of up to two floors. Picture a place of your own taking shape among the open fields, with the everyday life of the village close by and the pace of the countryside all around. For trips further afield, Paphos International Airport is about 50 km away.

The land has no direct road access. The sale comprises one field in full together with a 1/9 share of the adjoining field.

Open surroundings, a residential zone and the coast within a drive give this corner of Pano Pyrgos a gentle, lasting appeal.
