For Sale : **€ 94,000**

Description
Fig Tree Bay and the beaches of the Paralimni coast lie a short drive from this field, and restaurants and cafés sit within walking distance. It is a setting shaped by the sea and a relaxed coastal rhythm, with the village of Kapparis also a short drive away.

The land lies in a touristic zone, so its general use is tourism. The zone allows hotels of up to three floors, and touristic villas and houses of up to two floors. Around it, residential developments sit among parcels that are still undeveloped, giving the neighbourhood an open, unhurried feel.

The land has no direct road access. The sale is a 1/2 share of the field.

With the bay and the beaches close by and a zoning made for tourist use, this is a stake in Paralimni's coastal way of life.
