Description
Village life sets the tone here. Close to the centre of Pano Pyrgos, this field lies among open, undeveloped parcels and a scattering of homes, with beaches a short drive away.

At 3,345 m², the land is sizeable, and its residential zoning gives room for a home of up to two floors. There is space to picture a house among the open land around it, with the rhythm of the village close at hand. The land has no direct road access.

An unpretentious village setting, the coast nearby and a generous plot zoned for a home: that is what this land offers.
