Description
Around Alampra, in the Nicosia district, new homes stand among open parcels of land. This large field sits within that residential setting, a short drive from the village centre. Its 2,342 m² lie in a residential zone, with room for a home of up to two floors.

Daily life stays close by. Schools, supermarkets, cafés and restaurants are a short drive away, as are the neighbouring villages of Pera Chorio and Nisou. Parks and green spaces lie a little further out, ready for weekend walks once the house is built.

The land has no direct road access.

This is a sizeable piece of village ground among homes and open land, with space to imagine a house of your own and the life of Alampra around it.
