For Sale : **€ 88,000**

Description
Among family homes and open parcels in the village of Temvria, this 2,342 m² field offers residential land with room to shape a home of your own. The zone allows a house of up to two floors, so a family home can take form here.

Village life stays close. The centre of Temvria is a short drive away, and so are restaurants and cafés for an easy evening out. For weekends, Troodos National Forest Park and the waters of Solea Reservoir are also a short drive from the land. Their pine-covered slopes and open water set the tone for a life rooted in the countryside.

The land has no direct road access.

It is a sizeable piece of residential land in a living village, with nature on its doorstep and space to picture the home you have in mind.
