Description
Set in the countryside of Simou in the Paphos district, this agricultural field covers 25,753 m² of open land. The surrounding area is made up mainly of undeveloped parcels. The agricultural zoning suits farming or planting, and the land has frontage along a registered footpath.

Simou village centre is a short drive away, as are the neighbouring villages of Evretou and Loukrounou, and Evretou Dam lies not far from the field. A sizeable stretch of farmland in a rural setting away from dense development.
