For Sale : **€ 70,000**

Description
Just beyond the edge of Pachna, this field lies in a residential setting where scattered homes sit among open, undeveloped parcels of land. The village is right at hand for everyday life, and restaurants and cafés are a short drive away for an easy evening out.

The land is zoned for residential use, giving room for a home of up to two floors. Picture a house shaped around village life, with the open land of the surrounding parcels around it and the familiar rhythm of Pachna close by.

The land has no direct road access. The sale is for a 1/2 share of the field.

For anyone drawn to village surroundings in the Limassol countryside, this is a straightforward piece of residential land on the doorstep of Pachna, with the village never far away.
