Description
Between the villages of Laneia and Trimiklini, in the Limassol countryside, this agricultural field covers 9,394 m² among other farmed and undeveloped parcels. Its agricultural zoning makes it suited to farming and planting.

The land has direct road access, with frontage on a registered road along two of its borders. Laneia's village centre and the village of Doros are a short drive away, main roads are a drive off, and the Limassol–Paphos Motorway lies in the wider region. It is a sizeable field of agricultural land just outside Laneia.
