Description
Three adjoining fields make up this sizeable holding of 24,743 m² in the countryside of Pelathousa, in the Paphos district. Farmland and undeveloped parcels surround it. The village centre is a short drive away, as are the neighbouring villages of Agios Isidoros and Steni.

The land lies within a protection zone. It has no direct road access and is reached by a right of way over an adjoining parcel. Together, the three parcels form one continuous stretch of rural land in the Pelathousa countryside.
