Description
Set among farmland in Agios Theodoros Tillirias, in the Nicosia district, this agricultural field covers 9,700 m². The land is zoned for agriculture, so it suits farming, planting or holding as a rural parcel. The neighbouring plots are agricultural and undeveloped land, which gives the area its rural character.

The village centre is a short drive away, as is the neighbouring village of Pigenia. A registered footpath crosses the land. This is a large field of agricultural ground in the Tillirias countryside, with room to farm or plant.
