Description
Just beyond the village of Choulou, this field of 2,342 m² sits in a relaxed rural corner of Paphos, with the Ezousa river not far away. Homes and open parcels share the land around it, which gives the area a settled, residential feel while keeping a generous sense of space.

Set within a residential zone, the land offers room for a home of up to two floors. It is a sizeable canvas on which to shape a house around village life: mornings in Choulou, the neighbouring villages of Lemona and Kourdaka a short drive off, and the waters of Kannaviou Reservoir within a drive for a day outdoors. Schools, cafés and everyday shops are also a short drive away.

The land has no direct road access.

Here is a chance to plan a home on the authentic side of Cyprus, with the village of Choulou close at hand and the Ezousa river nearby.
