

For Sale, Land, Field, Famagusta, Liopetri, 1,372m²

Liopetri keeps its village character close at hand,
and this...

For Sale : **€ 53,000**

Description
Liopetri keeps its village character close at hand, and this field sits among homes and open parcels, a short drive from the village centre. The setting is residential and unpretentious: houses and undeveloped land share the neighbourhood, and village life with its cafés and squares is never far away.

Zoned for residential use, the land offers room for a home of up to two floors. It fronts a dirt road, so it has direct road access, and its long frontage lets you picture where a gate, a driveway and a front door might one day stand. When you want greenery beyond the village streets, Liopetri National Forest Park is a short drive away.

This is a field for anyone who feels the pull of a Famagusta village and the idea of shaping a home in it, with the everyday rhythm of Liopetri all around. The sale is for a 1/2 share of the field.

A residential plot in a charming village setting, well worth a visit.
