For Sale : **€ 53,000**

Description
Giolou's village centre is only a short walk away, with restaurants and cafés close enough to reach on foot. Around this field, homes stand alongside undeveloped parcels, giving a residential setting woven into everyday village life.

The land lies within a residential zone, which allows room for a home of up to two floors. Picture shaping plans for a house here, close enough to stroll into the village for a morning coffee or an evening meal, and to feel part of life in Giolou from the start.

Beyond the village, Evretou Lake is a short drive away for time beside the water, and the neighbouring village of Miliou is close by car. Giolou keeps its own character while staying connected to the countryside around it.

The sale is for a 1/3 share of the field.

A residential field in the heart of Giolou's village life, with the village centre at a short walk and space to plan a home of your own.
