Description
Set in the countryside outside the village of Avdellero, in the Larnaca district, this agricultural field covers 16,054 m². Neighbouring parcels are a mix of agricultural and undeveloped land, away from dense development, with the villages of Kellia and Koshi a drive away.

The agricultural zoning makes the land suited to farming or planting, or to holding as a sizeable piece of open countryside. The land has no direct road access. It is a large, uncomplicated agricultural plot within the Avdellero countryside.
