Description
Cultivated farmland surrounds this agricultural field of 16,138 m² in Kalo Chorio, in the Limassol countryside. The neighbouring parcels are a mix of crops and undeveloped land. The field lies in an agricultural zone and suits farming or planting.

The centre of Kalo Chorio and the villages of Louvaras and Zoopigi are all close by. The land has no direct road access. It is a sizeable piece of agricultural land in a farming landscape.
