Views across the surrounding countryside and out
to the sea...

For Sale : **€ 51,000**

Description
Views across the surrounding countryside and out to the sea set the tone for this residential plot in Peristerona, a village in the Paphos district. Imagine a home here, framed by that view, with a green area running along one border of the land.

The land is fairly rectangular with a sloping surface. Its residential zoning gives room for a home of up to two floors. It enjoys direct road access on two sides, and electricity, water and telecommunications are available. The neighbourhood is a mix of open parcels and scattered homes, giving it an authentic village feel.

The village centre is close by, and the shops and cafés of daily life are a short drive away. Evretou Lake is also within a short drive for time outdoors.

A canvas for a home of your own design, where the sea view leads the way.
