Description
Set among farmland and undeveloped parcels in the Monagri area of Limassol, this agricultural field covers 22,409 m² of open countryside. Its agricultural zoning suits farming and planting.

The land has frontage on a public road along one border, though that road is not built on site. The villages of Alassa and Doros are a short drive away, and the Limassol–Paphos Motorway is within driving distance.

A sizeable agricultural holding in the Monagri countryside, with a public road along its edge.
