Description
Set between the villages of Koili and Tala in the Paphos district, this agricultural field covers 12,041 m². Its neighbours are other farmland and undeveloped parcels. The agricultural zoning suits farming or planting. The land has no direct road access.

The centre of Koili and the village of Tala are both nearby. The setting is shaped by agriculture rather than building. This is a large, plain parcel of farmland in a rural part of the Paphos countryside.
