Close to the heart of Pano Pyrgos, with beaches only a short drive away, this residential field brings village life and the sea within easy reach. Its 2,676 m² sit among homes and open parcels, where the village gently gives way to the land around it.

The whole field lies within a residential zone, with room for a home of up to two floors. Imagine a house here, with the village centre close by for coffee and a chat, and the shoreline a short drive away for long afternoons by the water. Neighbouring Kato Pyrgos and Pigenia are both a short drive off, and Paphos International Airport lies about 50 km away.

The land has no direct road access.

For anyone drawn to village living with the coast close at hand, this sizeable plot near the centre of Pano Pyrgos offers a setting where daily life and the sea sit side by side.
