Description
Erimi, in the Limassol district, is the setting for this field of 1,600 m² on residential land, a sizeable space with room for a home of your own.

Restaurants and cafés lie within walking distance, so an evening coffee or a meal out can begin with a stroll rather than a drive. Schools and the village centre are a short drive away, which keeps the everyday routine close at hand.

Here a life in a Limassol village can take shape from the ground up: a home planned to your own taste, with the cafés and tables of the neighbourhood waiting just a short walk away.
