For Sale : **€ 50,000**

Description
On the edge of the village of Arminou, in the Paphos district, lies a sizeable field of 2,007 m² on residential land. It offers room for a home of up to two floors, with the village life of Arminou just beyond its boundaries.

The land fronts dirt roads on two of its sides, giving it direct road access. Around it, undeveloped parcels sit alongside a number of homes. A new house here would share its surroundings with both open land and neighbours.

Arminou Reservoir is a short drive away, so a morning or a weekend by the water is never far off. The villages of Mesana and Filousa Kelokedaron are close by too, as are everyday shops, restaurants and cafés. Further afield, Kykkos Monastery makes a memorable day out into the wider region.

It is an unpretentious, versatile piece of residential land in a village setting, with space to plan a home and to shape the life around it.
