Description
Close to Kynousa village in the Paphos countryside, this agricultural field covers 10,703 m² of open land. It sits among other agricultural and undeveloped parcels, in a landscape shaped by farming rather than building. The neighbouring villages of Pelathousa and Lysos complete the rural surroundings.

Its agricultural zoning suits farming and planting, with a sizeable area to work. The land has no direct road access. It is a large, plainly rural field in the Kynousa area.
