For Sale : **€ 46,000**

Description
Close to the heart of Paralimni, this field sits in a residential part of town, where homes stand beside parcels of open ground. Schools and local shops are within walking distance, so the small rhythms of daily life, from the school run to the morning bread, stay close at hand.

The land lies in a residential zone, with room for a home of up to two floors. Picture a family home taking shape here, with the village centre only a short way off and the neighbourhood around it already lived in. For a quiet hour outdoors, Paralimni Lake is a short drive away, and restaurants and cafés are within easy reach for evenings out.

The field has no direct road access. The sale is a 1/4 share of the field.

A residential corner of Paralimni, with schools, shops and the life of the town gathered around it.
