For Sale : **€ 44,000**

Description
Sea days and village life sit close together in Pyrgos. The beaches are a short drive away, and so is the village centre with its everyday rhythm, making this corner of Limassol an appealing place to put down roots.

The field lies in a residential zone, with room for a home of up to two floors. Picture mornings spent around the village and afternoons by the sea, with the coast never far from reach. The surroundings are still taking shape: open, undeveloped parcels stand alongside some residential and touristic developments, giving the area a landscape-led feel rather than dense urban building.

The land has no direct road access. The sale is for a 1/6 share of the field.

A residential plot in Pyrgos, with the beaches and the village close by.
