For Sale : **€ 43,000**

Description
A short way from Kaliana village, and a short drive from the Troodos National Forest Park, this 2,000 m² field offers a patch of Nicosia countryside with residential zoning.

The land sits among undeveloped parcels and several residential developments, so a new home here would join an area where others have already chosen to settle. Its residential zoning gives room for a home of up to two floors, a chance to shape your own place in a village setting.

Life around Kaliana keeps its village character, while the neighbouring villages of Sinaoros and Temvria are also a short drive away. For weekends, the forest park offers time outdoors close to home. The land has no direct road access.

A sizeable residential plot near Kaliana village, with the forest park a short drive away.
