For Sale : **€ 45,000**

Description
Set among cultivated fields and open land just outside Pachna village, this agricultural field covers 12,041 m². The ground slopes gently across an irregular shape and is laid out in terraced levels for cultivation, in a landscape of farmed parcels and undeveloped land. The land has no direct road access.

Its agricultural zoning suits farming and planting, and the neighbouring villages of Dora and Kissousa are a short drive away. It is a sizeable, terraced piece of farmland in the Pachna countryside.
