

For Sale, Land, Field, Larnaca, Avdellero

Set among undeveloped parcels outside
Avdellero in the Larna...

For Sale : **€ 42,000**

Description
Set among undeveloped parcels outside Avdellero in the Larnaca district, this agricultural field covers 12,375 m² of open land for farming or planting. The village centre is a short drive away, and Kellia and Koshi are also within driving distance.

The land has no direct road access. It has no water, electricity or telecommunication services. It is a large agricultural holding in the countryside around Avdellero.
