Agios Therapon has a gentle, settled rhythm, and this field...

For Sale : **€ 39,000**

Description
Agios Therapon has a gentle, settled rhythm, and this field sits right among it, in a residential setting where village homes mix with open parcels of land. It is a place to imagine a home of your own taking shape, close to everything that makes village life easy.

The land lies in a residential zone, with room for a home of up to two floors. It has direct road access along its boundary, which makes it a practical starting point for building plans. A distribution agreement is in place.

Life beyond the village stays within easy reach. Neighbouring Agios Amvrosios and Vouni are a short drive away, and so are local schools, so daily routines can stay close to home.

The sale is of a 1/2 share of the field. Above all, it is the location that stays with you: a residential plot just a short walk from the centre of Agios Therapon, where the village is never far from your door.
