For Sale : **€ 43,000**

Description
Just beyond the village of Dora, this field of 3,011 m² lies among open parcels of land and a scattering of homes. It is a setting where village life sets the pace, a calm escape from the rush of the city.

The land is zoned for residential use, so it offers room for a home of up to two floors. With a sizeable area to work with, you have the freedom to shape a house around the way you want to live. The land has no direct road access.

Dora's village centre is a short drive away, and the villages of Mousere and Gerovasa are close by too. Further afield, the wider region holds the famous coastline at Petra tou Romiou, a reminder of the Mediterranean on your doorstep.

A sizeable residential plot with traditional village charm all around, and space to build a life of your own.
