For Sale : **€ 38,000**

Description
Village life in Agros sets the tone here. This field lies a short way from the heart of the village, with restaurants and cafés within walking distance, and a sports venue and medical centres close by too. Around it, a mix of homes and open, undeveloped parcels gives the neighbourhood a residential, open character.

The land sits within a touristic zone, so its general use leans towards tourism, and the zone also allows houses of up to two floors. The field has no direct road access.

Beyond the village, the neighbouring communities of Agios Ioannis and Kato Mylos are a short drive away, and Paphos International Airport is about 50 km off. It is a setting where days can follow the rhythm of village life, with a coffee or a meal in the village just a stroll away.

The sale is for a 5/24 share of the field. A stake in village land with a long horizon, close to the cafés and everyday life of Agros.
