For Sale : **€ 38,000**

Description
A short drive from the beaches, this field lies outside Paralimni village, among open, undeveloped parcels and a scattering of homes. The harbour at Ayia Napa is also within a drive, so a day by the water is never far away, and the relaxed rhythm of island life sets the tone for the whole area.

The land falls within a touristic zone, which allows tourist use such as a holiday village, and houses as well, both up to two floors. It offers a quiet foothold in a part of the Famagusta coast where the setting is still largely open, with room to picture a home or a small tourist retreat taking shape in time.

The land has no direct road access. The sale is for a 1/4 share of the field.

Beaches close by, Ayia Napa harbour within a drive and zoning shaped around tourism make this Paralimni field well worth a visit.
