Description
Just a short walk from the heart of Odou, this field lies on residential land within the life of the village. Homes and open parcels share the neighbourhood around it, and the village centre is close enough to reach on foot for a coffee or an errand. The field has direct road access, with a long frontage along the road at its edge, so arriving and setting out each day is straightforward. Its residential zoning gives room for a home of up to two floors, a place to shape around your own plans in a village setting. Beyond Odou, the surrounding countryside invites exploring. The nature spot of Kionia peak and the heritage site of Fikardou are both a drive away, ready for slow weekends among hills, history and fresh air. The neighbouring villages of Melini and Kampi are a short drive away too. The sale covers a 1/2 share of the field. A residential field so close to the village centre, with the road right alongside, offers an uncomplicated starting point for a home in Odou.
