Description
Set within Pegeia, among homes and open parcels of land, this compact residential field puts the beaches of Coral Bay a short drive away. Shops and supermarkets are within walking distance, so everyday errands can stay on foot while the sea remains close at hand.

The land covers 363 m² in a residential zone, giving room for a home of up to two floors. Around it, residential developments and undeveloped plots sit side by side, so new homes and open land share the neighbourhood.

The land has no direct road access.

What it offers is a modest footing in Pegeia: residential land within the village, with shops in walking reach and the coast at Coral Bay only a short drive from home.
