For Sale : **€ 28,500**

**Description**
Village life sets the tone in Dora, and this field sits at one end of the village, a short way from its church. Around it, homes share the neighbourhood with open parcels of land, giving the area an unpretentious, authentic character far from the pace of the city.

The land lies in a residential zone, with room for a home of up to two floors. Picture a house shaped around village mornings, with a school a short drive away and the neighbouring villages of Mousere and Gerovasa within easy reach for a coffee or a meal. Further afield, the coastline at Petra tou Romiou is part of the wider region.

The field has no direct road access.

Substance over show: 725 m² of residential land in a real village setting, where a home could one day grow into the rhythm of Dora's everyday life.
