For Sale : **€ 27,000**

Description
Troodos National Forest Park lies within walking distance of this field near Pelendri, so a walk into the forest can start from the land itself. Around it, farmland and undeveloped plots set an open, rural scene, far from the pace of town.

The land is zoned for residential use and offers room for a home in this green setting. It has direct road access along one side, and a footpath runs along another. Pelendri's village centre is a short drive away, with the village of Amiantos also close by in the car.

Picture a home here, with mornings shaped by the forest close at hand and the village within easy reach for everyday life. It is an honest alternative to city or resort living, rooted in the countryside of the Limassol hills' villages and the forest beside them.

The sale is for a 1/3 share of the field. What stays with you is the forest, near enough to reach on foot.
