For Sale : **€ 24,000**

Description
Everyday Paralimni life sits right on the doorstep here. This field lies beside one of the town's primary schools, so the morning walk to class would take only moments. Around it, residential developments stand alongside parcels of land still waiting for their turn.

The land is zoned for residential use, which plainly points to a home, and the source states that up to two floors may be built. It fronts a registered road, giving it direct road access along one side.

When the day calls for more than the neighbourhood, the town centre is a short drive away. Paralimni Lake and neighbouring Kapparis are also close by car, which makes for easy afternoons out and a change of scenery whenever you want one.

The sale is for a 1/24 share of the field.

A residential setting in a town that works well from one day to the next, with a school next door and the heart of Paralimni within easy reach.
