Open countryside sets the scene for this field just outside...

For Sale : **€ 22,000**

Description
Open countryside sets the scene for this field just outside Akapnou village in Limassol, where the land around is a patchwork of farmed and undeveloped parcels. Village life carries on a short way off, the neighbouring villages of Klonari and Vikla are a short drive away, and Kalavasos Lake is within a drive for time spent outdoors by the water.

The field lies in a residential zone, with room for a home of up to two floors. Its 1,013 m² leave space to shape a house around a rural setting, with fields and open land as neighbours rather than rows of buildings.

The land has no direct road access.

Residential land in farming country, with Akapnou village close at hand, it offers a place to begin a home in the Limassol countryside.
